

Dear Recreational Enthusiast,

Vernon Trails is a non-profit organization that is committed to developing sustainable outdoor recreational activities while building community and expanding access. We are excited to announce a new project; the creation of Viroqua's first disc golf course ~ Veteran Hills. The Viroqua VFW has graciously donated the use of their 40+ acre property on the south side of Viroqua and we will be completing the project mainly through volunteer

efforts. The goal of this project is to add disc golf to the expanding list of outdoor recreational activities available to residents of and visitors to Vernon County. To achieve this goal we will design, build, and maintain a championship caliber course that will be highly accessible to everyone and free to play.

Disc golf is one of the fastest growing sports in the country. This is due in large part to the minimal costs associated with playing the sport and developing courses. Disc golf is also a lifetime sport enjoyed by people of all ages and provides a full body form of exercise.

We plan to utilize the course for a variety of disc golf related events, such as weekly leagues and large tournaments that will attract people from outside of Vernon County creating a tremendous tourism opportunity for Viroqua. Our work on the VFW property will also make the land more accessible to other recreational activities like hiking, trail running, snowshoeing, and cross country skiing.

Your sponsorship will help Vernon Trails achieve its goal of building a high quality, championship caliber disc golf course in Viroqua and aid Vernon Trails in its ongoing efforts to expand access and build community.
